

## RULES OF THE AUCTION

### **FOLSOM STREET FAIR / MAN'S HAND PADDLE AUCTION 2009**

#### **AUCTION RULES**

**UP FOR BID** is the one-of-a kind paddle that was used at the 2009 Folsom Street Fair Spanking Booth (sponsored by Man's Hand Films) to spank dozens of volunteers. It is made of cherry wood and measures 17" x 3.5" by 3/4", with the official logos and date printed on the blade.

The auction is now open as of 9 October 2009 and it will close on Sunday, October 18, 2009 at 12:00 noon (Pacific Time). The highest bidder at that time will be declared the winner. The winner will have 10 calendar days to contact Man's Hand Films and arrange for payment.

If the winning bidder fails to make the payment within 10 calendar days, the paddle will be forfeited to the second highest bidder.

In the event that the bidding ends in a tie, whoever made the first bid of the winning amount will be declared the winner. The decision of Man's Hand Films in determining the winner will be final.

#### **BIDDING**

Bidding for the paddle will begin at \$15, with additional bids at a minimum of \$2. Participants should email their bids directly to "m\_mspanking" <[m\\_mspanking@googlegroups.com](mailto:m_mspanking@googlegroups.com)> with the words "Folsom Auction" in the subject box.
